

## Transcript – Scavenger Hunt Activity

Our first activity will be a scavenger hunt to explore the revised TEKS. You will need your journal and a copy of the revised TEKS for Algebra I, Algebra II, and Geometry. Locate the page titled *Revised Mathematics TEKS Scavenger Hunt* in your journal. This activity should take approximately 10 minutes. Remember, this is a quick survey of the document. We will be reading more for greater detail later in the training. If something in the revised TEKS document catches your eye, label or highlight it so that you can be sure to go back to it later. Chances are, if it caught your eye, we'll probably be taking a closer look at some point in the module.
