

Transcript – How do you look at things?

How do you look at things? Do you look at things through a forest view, through a tree view, or through a leaf view?

As we explore the Revised Math TEKS (2012), at times we will be looking at things through a forest view, and at times through a tree view, and sometimes through a leaf view. We're going to be looking at the big picture today and thinking about the strategies and procedures that we can take back to our campuses as we dig into the Revised Math TEKS (2012).
