

Transcript – A Side-by-Side TEKS Comparison

Now we'll need three documents: the Side-by-Side TEKS Comparison in your journal, the Side-by-Side TEKS Comparison document from Project Share Gateway, and the Side-by-Side TEKS Comparison Highlights, a link to which can be found at the bottom of this page. Be sure that your documents are aligned to your grade band.

Take time to review the Side-by-Side TEKS Comparison Highlights document for your grade band.

Review one grade level from your Side-by-Side TEKS Comparison document, and answer the questions on your Side-by-Side TEKS Comparison journal page.
