

TEA Designated Early College High Schools (ECHS)

Beginning in the 2015-2016 school year, an ECHS indicator was placed in PEIMS. All designated ECHS must ensure that the required ECHS indicator is included as a data element for Submissions 1, 3, and 4. Submission 1 is the fall snapshot date in October (last Friday in October)

Please coordinate with the PEIMS coordinator on the campus or at the district regarding specific PEIMS questions.

This document provides information regarding the indicator. Additional information can be located in the PEIMS Data Standards. To access the PEIMS Data Standards visit: http://tea.texas.gov/Reports_and_Data/Data_Submission/PEIMS/PEIMS_Data_Standards/PEIMS_Data_Standards/

- If the designated ECHS is a stand-alone campus (all students on the campus are in the ECHS) – all students should be identified in E1560 with the indicator code of 1.
- If the designated ECHS is a school-within-a school (not all students on the campus are in the ECHS program)
 - The students receiving instruction in the ECHS should be identified in E1560 with an indicator of 1.
 - Students not receiving instruction in the ECHS should be identified in E1560 with an indicator of 0.

Description

The 102 Student-Data - Demographic record collects the unique ID number assigned to a student by the Texas Education Agency's TSDS Unique ID application. Several other indicators are collected on this record.

ECHS-INDICATOR-CODE (E1560) indicates whether a student is enrolled in an Early College high School as defined in TAC §102.1091.

The data collection for this new requirement began in the 2015-2016 school year, and E1560 will be collected in Submissions 1, 3, and 4.

Students enrolled in ECHS on the last Friday in October (Fall Snapshot date) are reported in Submission 1. Students enrolled in ECHS at any point in time during the school year are reported in Submission 3. Students enrolled in ECHS over the summer are reported in Submission 4.
