2. I: \_\_\_\_\_
3. N: \_\_\_\_\_
4. T: \_\_\_\_\_
5. S: \_\_\_\_\_

### Part 2: Apply the Strategy

**Read the passage below. Underline five words that contain prefixes and/or suffixes (some words may have both a prefix and a suffix, and some may only have one or the other). Write the words in the HINTS Log that follows. Then, complete the rest of the log.**

Some unintended events occurred while my brothers and I were making my mom a birthday cake. First, we went to the grocery store to get ingredients. When we got home and unpacked the grocery bags, we realized we had forgotten to buy eggs. I said we should go back, but my concerns were dismissed; we would use extra water instead. However, while mixing the batter, the bowl fell over, spilling everything onto the floor. After cleaning up, we understandably decided to go buy her a cake, instead. The events of today will remain unspeakable.
